

Expressive Arts

Group Experience

Does your child struggle with traditional talk therapy?

Join us for an Expressive Arts Therapy group experience where children will:

- Engage in arts-based sensory experiences
- Participate in modes of regulation and expression through the arts
- Use various modalities and materials to connect their body and emotions
- Discover psychoeducation in a fun and engaging way

Facilitator:

Madison Phyper
Expressive Arts Therapist and
Qualifying Registered
Psychotherapist

Dates and Time (choose one or both):

August 19th 10:30 am

August 26th 1 pm

Cost: \$75 per one hour session*

Location: Variety Village Clinic 3701 Danforth Ave

Participants: Group is geared to neurodiverse children ages 6+ who enjoy engaging in the arts

* Psychotherapy Fee may be covered through health benefits or OAP funding
